Press Release

PowerShark iXP1-4X- Powerful 2200mAh Slim-line Charger

Universal Charger for Tablets, Cellphones, iPhone, iPod and Touch iPod, iPad/iPad2 and more - Extra Power While on the Go

Los Angeles, CA., May 5 2011 – Xmultiple, a global manufacturer of connectivity products and the ultimate XP1Power Chargers released their PowerShark Slim-line USB chargers. The PowerShark has the power of most rechargeable batteries double its size.

PowerShark Slimline Chargers

Powershark Slimline Chargers are convenient and a must have product for all tablet and cellphone users. The Powershark has a powerful 2200mAh battery about the size of AAA batteries (23mm x 91mm) and at \$39.99 you may want to purchase a few. PowerShark's are available in blue, red, yellow, purple, and black.

PowerShark Charging with a USB port is in a great solution for "Power On-The-Go"– The PowerShark solves your power problems

The PowerShark provides a powerful integrated rechargeable battery for hours of backup run-time power. Charge your iPhone, iPod, iPad, Blackberry, DROID, Nokia, Motorola or any other SmartPhone/CellPhone and more. With the PowerShark you have inter-changable adapters tips to connect to your all your devices. The PowerShark charger provides power for tablets, smartphones, cellphones, GPS, PDA, gaming device, MP3 Player, Wireless headset, MiFi and more. The PowerShark provides hours of extra power, even when you're nowhere near a power source.
